SKIN REJUVENATION

ANTI-WRINKLE INJECTIONS
&
DERMAL FILLERS

WELCOME

Welcome to anti-wrinkle & dermal filler injections and skin rejuvenation treatments at Dr Basils Clinic. Dr Basil has been specially trained in facial aesthetics and he is qualified to administer cosmetic anti-wrinkle injections and dermal fillers with expertise. The skin treatments are performed by Tracey who has been educated and trained to provide a range of advanced clinical and cosmetic options for skin rejuvenation and skin health. Dr Basil & Tracey will provide you with a quality personalized service.

ANTI-WRINKLE INJECTIONS

Cosmetic Anti-wrinkle injections are for men and women, they smooth out your facial wrinkles by relaxing the muscles in your skin, giving you noticeably smoother skin and a more youthful appearance.

Dr Basil's anti-wrinkle injections are competitively priced and treat:

- Crow's feet (eye wrinkles)
- Frown lines (deep wrinkles between your eyebrows)
- Horizontal lines (forehead wrinkles)
- Bunny lines (nose scrunch)
- Lip and chin lines (wrinkles around the mouth)

PRICE PER AREA and other areas by consultation with Dr Basil.

DERMAL FILLERS

Cosmetic Dermal Fillers are a fantastic way for men and women to fill those areas of your face that lacks volume. Dermal filler will restore youthful facial contours of your face, cosmetically enhancing your appearance.

Dr Basil's dermal filler injections are competitively priced and enhance:

- Lip definition and volume
- Peri-oral lines (smokers lines)
- Naso-labial folds (smiles lines)

PRICE PER AREA and other areas by consultation with Dr Basil.

MICRO-DERMABRASION

An intensive yet gentle exfoliation treatment that removes the outer layer of dry, dull and dead skin. Microdermabrasion can be used by men, women and youth to maintain healthy skin or to treat a number of skin conditions such as: dry skin, acne, fine lines, superficial pigmentation. This treatment is commonly used on the face, however, can be used on the back, hands, head, chest and neck.
